

*But be sure to fear the Lord and serve
him faithfully with all your
heart; consider what great things he
has done for you.*

1 Samuel 12:24 NIV

May/June 2023

The Harvest Times

A Publication of World Missions

Myanmar Outreach

- Five students graduated from Shiloh Bible College this year on February 18; five students graduated from Faith Bible Online School, as well. Of the five graduates from SBC, three were planning to move to various locations to plant churches. Please pray for Bran Sang Aung, Thaw Thaw, and Zi Ma Lay as they seek to reach souls with the good news of Christ.
- Thingyan Festival is celebrated each year in Myanmar in mid-April. The four days are public holidays and end with the Buddhist New Year. This festival is characterized by throwing water, a custom originally carrying the idea of washing away one's sins from the previous year, and its significance is tied closely to Buddhism.

Rather than celebrate a Buddhist holiday, Andrew uses the dates to plan Water Festival Gospel Camp. This year, the church in Mandalay planned for two days of ministering to about 80 Sunday school children, April 10-11; two days for outreach to about 70 non-Christians, April 12-13; and two days to speak to about 90 young people, April 14-15. Five of our church planters were planning gospel camps during this time, as well.

A New Building for Shiloh Bible College

Since Andrew Bawi Ceu began Shiloh Bible College in 2000, they have always met in rented facilities. This means that, over more than 20 years, rental fees have been paid, and the school has also had to switch locations in the past.

This year in February the beginnings of a new building have been started, their own building on their own land.

The plan is to build four floors and include room for church activities, Shiloh Bible College office and classrooms, and dormitories for boys and girls. The target completion date is June of 2024.

Pray for the successful completion of this building and for God's provision for all the financial needs.

Left: Pastor Andrew is happy to see the progress being made on the new building.

RETURN SERVICE REQUESTED

Pastor George uses the JESUS Film to evangelize. This photo was taken in 2020.

Sharing Jesus in Ghanaian Villages

In April, Pastor George traveled to a small community named Gore near our church in Glang to show the JESUS Film. Three ladies gave their lives to Jesus after watching the film!

The next week, Pastor George tried to show the JESUS Film at another village nearby. But such outreach efforts are not without risk. It soon became apparent that there were fights and quarrels going on in the village for reasons unknown, and Pastor George and his team had to stop the film early. He later found out that three men were killed that day.

Pastor George wrote, "... it was scary and frightening, but the Lord was in control, and we drove back to Wa town safely."

Thank you for your continued prayers for the churches and leaders in Ghana. God continues to move, and we are grateful to hear of souls saved!

- Brother Andrew Bawi Ceu spent a week over Easter on a trip to visit John, a missionary who works among the Hmong people near the Thailand border. According to The Joshua Project, there are 12,000 Hmong people in Myanmar, and only 1% of them are Evangelical Christians; they are listed as an unreached people group. Andrew traveled with his son, Joshua, and a teacher from Shiloh Bible College, Van Thawng Thang.

During their ministry from April 5-12, they saw three new converts baptized, and one marriage restored. "The risen Christ is preached, and God works," Andrew wrote. "Hallelujah."

Pray for the Cayman Islands

Pastor Gayle Woods recently shared this photo of an activity with the church kids at a local park in Cayman Brac. It is a good reminder to pray for upcoming Vacation Bible Schools in Cayman Brac and Grand Cayman this summer.

Dr. Woods writes that, although Cayman Brac is a very religious island, it is not very spiritual. He said several unsaved individuals attend church on a given Sunday.

Please pray that, through regular Sunday services, as well as through VBS this summer, many more souls would come to saving faith in Jesus.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.
