## Onward!

Months of preparation are now nearing completion, and it is time to start the first of three two-week sessions of Translators' Training Course 1 for new translators in the Solos and Petats languages. In the last newsletter we rejoiced that we were aiming for 12-15 new Solos translators and adding four new Petats translators. The committee has been working hard on awareness, and now we have 35 new translators signed up!

Pray for these men and women as they come to the course, which starts on Monday, 26 August, and runs for two weeks, with the second and third sessions to follow in October and November. They have much to learn, and a lot of work to do to become skilled translators and writers in their languages.

Our first six literacy books, the alphabet book, and a trial spelling guide also just got back from the printshop on Friday, so we sorted

them over the weekend (more pictures on the Back Page). These are small books, but the total of 5,000 of them really adds up to quite a pile. Now we're working out logistics for how to get them out to Buka. We also had a few misprints (less than 20), so the printshop is handling that this week.

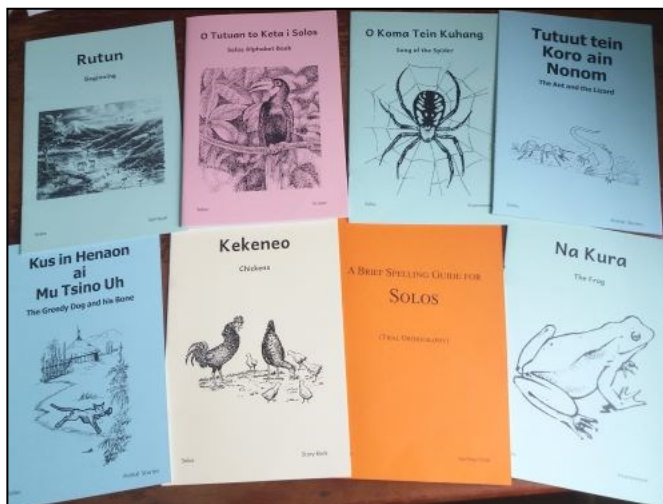

### Prayer Corner

#### Praises:

- Translator Training Course starting this weekend!
- Relatively good communication with three different villages in Buka
- The first batch of literacy books are printed!
- The school year is off to a good start

#### Requests:

- Translator Training Course starting this weekend in Gagan village
- Pray for the new translators—they are in for big challenges ahead
- Shipping the books to Buka in a timely and cost-effective manner
- That the details and permissions for a major literacy course for elementary teachers in February would come together well

When you hear the  
sound of marching in  
the tops of the  
mulberry trees, then  
you shall advance  
quickly. For  
then the Lord will go  
out before you...

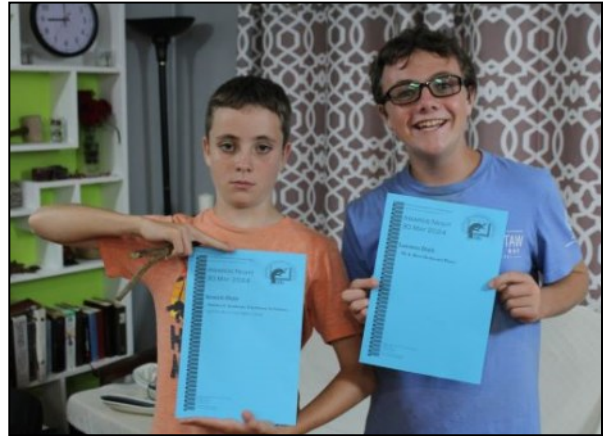

II Samuel 5:24

## Solos Literacy Book Project

If you or your group (Sunday School, VBS, club, etc.) would like to sponsor literacy books in Solos, contact Church of God (Holiness) World Missions via the info below or email them at:  
office@coghworldmissions.org

700 copies of each book (about 30 per elementary school) can be printed and distributed for about \$350 to \$800 per title, depending on the length of each book.

**Above:** Amaziah and Lawrance with their awards at the end of last school year.

**Left:** During the “summer” break, Amaziah made Turkish delight for the first time. Much better than store-bought!

**Below:** Jacob in his new classroom. The five students at his table are all from different countries!

The books got to be a big job. Christy sorted them into piles of 30 of each title for each Solos-area elementary school, then we boxed them up for shipment. In case you are wondering, 5,000 of these books weigh about 344 pounds (156kg).

Financial and most other matters should be handled through:
