New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

Let us not become weary in doing
good, for at the proper time we will
reap a harvest if we do not give up.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

reap a harvest if we do not give up.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

Let us not become weary in doing
good, for at the proper time we will
reap a harvest if we do not give up.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.

Trusting in the Providence of God

After receiving word that their visas to Papua New Guinea had been approved and would be sent soon (and after approval from the World Mission office), the Doyle family prepared to return. The airfare to Papua New Guinea was purchased, and the suitcases were packed.

However, only about a week before the return flight was scheduled, the Doyles received word that technical issues at the PNG embassy in the USA were delaying the physical issuance of the visas. At the time of writing—six days ahead of the scheduled travel date—the Doyles have no definite time frame to work with.

All this happened after there was an inexplicable mistake in two of their boys' passports, mixing names and pictures, that caused a long delay for reissuance.

Larry and Christy write, "We want to be back in PNG working with our language team and colleagues, but only God knows when and how that will happen. We are learning once again what it means to trust, even when we cannot control the outcome."

Thank you for your continued prayers for the Doyle family. Please also pray for the staff at the PNG embassy as they seek to correct this issue. Please pray for God's timing to be accomplished in all things.

RETURN SERVICE REQUESTED

Remembering Rene Bardales

Only one month before his 95th birthday, Bro. Rene Bardales passed from this life to receive his eternal reward. Bro. Bardales and his wife, Lois, served as missionaries in Mexico from 1967-1987. After returning to the United States, he had continued involvement until 1998.

His heart to serve the Lord led him to prepare sermons and Bible study aids in Spanish. By 2001, he was sending his Spanish Ministerial Resources to Christian workers in five different countries. By the time he retired in 2022, he was sending resources to over 1,100 workers in 17 countries.

He showed his love for the Lord through his kindness and generosity to others. He dedicated his life to sharing Jesus to all he could. His quick wit and ready smile will be missed.

Before his death Bro. Bardales completed his autobiography. We look forward to seeing more details of his interesting life in print.

VBS in Cayman Brac

By Dr. Gayle Woods, Pastor

From July 10 -14 we had Vacation Bible School at the Spot Bay church. The theme was "Jerusalem Marketplace." We had up to 65 kids on a given night, although the total number was more than that since the attendance varied from night to night. It was a good time of ministering to the young people, and we pray that the message of the gospel found a place in their heart that will lead them to a life serving Jesus. Only two churches on the island had VBS this summer so we are praying that our efforts for Him are especially effective.

Micki was put in charge of creating the set for the platform. She worked on the set from early morning to late evening for two weeks . . . I appreciate her creativity. I wonder sometimes how she does so much with cardboard and paper.

Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.

New Pastor at Red Bay

On Sunday, August 20, Bro. Carlson Benjamin was installed as the new senior pastor of the Red Bay Church of God (Holiness) in Grand Cayman.

For the last two years, Pastor Benjamin has been involved in ministry at Red Bay on a part-time basis. Rev. Philip Gumbs, as Chairman of the Caribbean Conference, was engaged in Red Bay's pastoral search and was a part of the installation service, as well. We commend the Red Bay church board for their diligence in search of a pastor and in leading the church during this time of transition.

Pastor Benjamin and his wife, Abigail, have four daughters. He is a graduate of God's Bible School & College and also holds an MA in Educational Leadership from Cedarville, Ohio. His years of ministry have seen him serve in positions of leadership in churches and Christian schools in Ohio, Grenada, and Grand Cayman.

Rev. Gumbs writes that Pastor Benjamin "is gifted with exegetical preaching and teaching that is relevant, bold, and compassionate," and further states that his youthfulness and maturity "are exactly what the church needs" as it ministers to people of all ages.

Thank you for your continued prayers for the Red Bay church and their new pastor.
