## *Rebuilding a Church in Haiti*

Due to the generosity of many donors, we have been able to send over \$48,000 toward the rebuilding of the church at Gauthier, Haiti, after it was destroyed in an earthquake last August.

The congregation has been meeting in a temporary shelter, but will soon be meeting in their new, larger church building with walls strengthened in an effort to resist damage from future earthquakes.

We are grateful for your prayers and faithful giving!

*At last report, the new church building will soon have a new roof.*

*Church members have been meeting under a temporary shelter.*

### Cayman Brac

Dr. Gayle Woods, pastor in Cayman Brac, recently wrote about Easter activities: "Good Friday through Easter Monday are public holidays . . . It is the custom here to have a Good Friday service . . . Both churches gathered at the Spot Bay church where I preached a message I titled 'Paid in Full' . . . After the message I served communion to the participants.

"That night we went to the Aston Ruddy Civic center for the community Easter Cantata. I had been asked to give an invitation at the end of the service which I did. God blessed the time and two ladies prayed to be saved.

"On Easter Sunday we went to a Sunrise Service sponsored by the Minister's Association. It is always held at Brac Reef dock, a beautiful setting on the southwest end of the island. . . . (Later) that morning our churches had a combined Easter service at the Watering Place church . . .

"We are grateful for all that God is doing here in Cayman Brac. We are especially grateful for your continued prayers and support. I am so glad that I serve a Risen Savior!"

## Remembering Pastor Bukle

Bro. Kenrick O. Bukle, pastor in Tutu, St. Thomas, passed away on April 9, 2022. Bill Hayton, former missionary to the Eastern Caribbean and former Executive Secretary of World Missions, wrote of first meeting Pastor Bukle when he came to Kansas City College and Bible School in the 1960s. Once back in St. Thomas, Bro. Bukle served as pastor of the church and principal of the Academy as well. "There he served faithfully until his death," Bro. Hayton wrote, "endearing himself to many besides his church and school family."

Bro. Hayton spoke of Pastor Bukle's commitment to God, his sense of humor and his helpful nature, as well as his love for his wife, Beverly, and their four daughters and grandchildren.

"Pastor Bukle was not just a colleague in the gospel but a personal friend as well." Bro. Hayton added, ". . . He has joined the ranks of the triumphant church in heaven. Heaven is sounding sweeter all the time . . ."

Thank you for your prayers for Sis. Bukle and their family, as well as the church and school in St. Thomas.

We are grateful to have received \$6,600 for the Ukraine Crisis Fund. Thank you for your giving! This offering is still open if you would like to participate.

We received word from a man connected with the Bible college. He wrote, "Several ZBS families left Zaporizhzhia for Western Ukraine where it is quieter and safer, at least for now. A couple of the men sent their wives and children to Poland for safety. The other ZBS families remain in Zaporizhzhia and help at local churches. Churches send convoys to cities that are under attack to take displaced people to Zaporozhye. The people are given food and a place to sleep until transportation to Western Ukraine can be arranged for them. There are not hundreds, but thousands of displaced people who are passing through Zaporizhzhia regularly. It is all very tense and frightening for the people. They are grateful for your prayers."

*Thank you for giving to World Missions. 5-10% of most donations are used for administrative costs.*
