October 27, 2017

PRAISES

- ❖ **ALBANIA**—The Waits found a house after only two weeks! A location for the House of Hope, a community center for the Roma people, was secured, and it was dedicated to God in a special ceremony.

Gabe and Erica Wait (left) pose with the Albania Team on the day the new community center was dedicated.

- ❖ **HURRICANE RELIEF**— We have received almost \$27,000 for hurricane relief in the Eastern Caribbean! Having seen pictures of the damage in various locations, we know every dollar will be appreciated. We are so grateful to all who have given.
- ❖ **GHANA**—Last week, Oleta Witt arrived safely back in the States for a visit through the end of November. She is happy to be able to see family and friends and participate in a friend's wedding.

PRAYER REQUESTS

- ❖ **EASTERN CARIBBEAN**—We received the tragic and unexpected news over the weekend that Pastor Leon George was called home to heaven. He was a longtime pastor in Christiansted, St. Croix, and a respected leader among the Eastern Caribbean churches. Thank you for praying for his dear wife, family, and church family. The funeral is being planned for Tuesday, November 7.
- ❖ **PAPUA NEW GUINEA**—Larry Doyle recently visited Buka. He asked for prayer for the Solos Bible translation team there. They have several translation steps that need to be completed over the coming months.

Pastor Leon George
